

Rainbow Six Rule Set

Match Rules

A match will be played on 3 maps, two of which are decided by teams and one by random. Each map will have 4 rounds and if needed 3 overtime rounds. Each team will have 2 defense and 2 attack rounds before they alternate between attack and defense in overtime.

Map Selection

At the beginning of the match, each team will ban one map.

Then each team will choose one map to play.

The third map will be chosen at random from the remaining 3 maps in the pool.
